

Euromind Sevilla

2018

Erasmus+

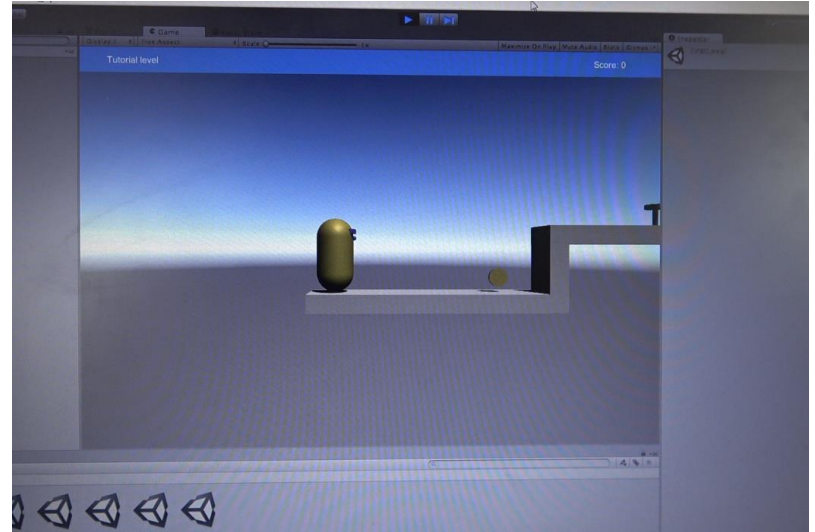

Our journey to Sevilla

- Journey started at 1st April.
- We went by bus from Rožnov p. R. to Vienna.
- We flew from Vienna to Madrid and from Madrid to Sevilla.

The Unity 3D training

- We started with simple games.
- It was fun with Jesus, he's a cool and obliging guy.
- We have gained a lot of experience in this field.

The Unity 3D training

Spanish course and workshops

- Two teachers were teaching us: Marí and Donata.
- These topics have been covered: numbers, colors, greetings, time expressions and basic conversations.
- We had one workshop, with Karolina.

Spanish course and workshops

Our free time in Sevilla

We spent a majority of our free time travelling through the city.

We visited many places, for example:

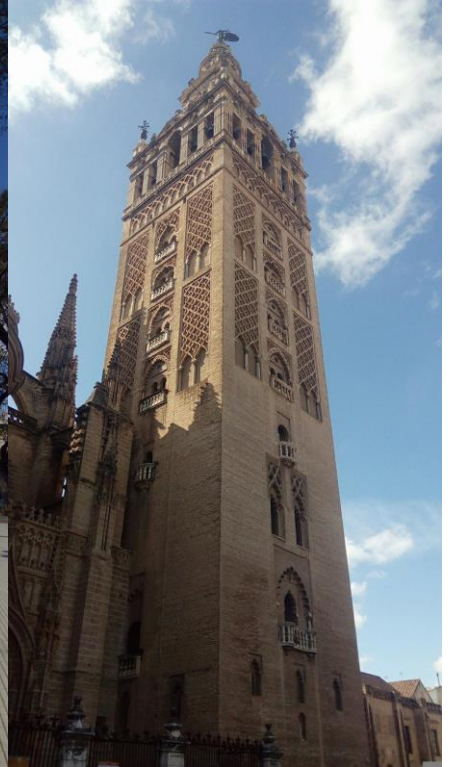

- Plaza de España
- Seville Cathedral
- Real Fabrica de Tabacos
- Torre Giralda
- Metropol Parasol
- Torre del Oro

Sevilla is a really interesting city, it's crowded and busy, mainly in the centre.

Many shops and pubs are still open late at night.

The Spanish Cousine

- We saw lots of seafood that don't exist in the Czech Republic.
- And lots of interesting combinations that aren't typical in the Czech Republic.
- The largest food of the day is dinner.

What have we tried?

Solomillo al whisky

Serranito de pollo

The seafood seller

Cádiz

- We had a short trip to Cádiz for one day.
- Some of us saw the sea for the first time and were amazed.
- There was not as much tourists as in Sevilla so it was more pleasant.

Thank you
